STATEMENT
AGS Airports Ltd is a partnership between Ferrovial and Macquarie Infrastructure and Real Assets (MIRA). Established in 2014, we are the second largest airport group in the UK, operating Aberdeen Airport, Glasgow Airport and Southampton Airport.

As a group we employ over 800 people and our airports carry over 14.4 million passengers every year to 200 destinations with 70 different airlines.

AGS Airports Ltd operates within the logistics, transport and distribution sector. Our key areas of airport operational activity are security, property management, retail facilities, fire services and cargo.

We believe that our people are our greatest asset. Our success depends upon attracting and retaining talent, developing our workforce and on the energy and enthusiasm of our people who share our core values of “Care, Pride and Passion”.

REPORTING AGS AIRPORTS LTD GENDER PAY GAP

AGS Airports Ltd is now in its third year of gender pay gap reporting to ensure compliance with UK Government regulations.

Our reporting data covers the following, as set out in the reporting requirements:

1. the difference between mean and median pay between men and women calculated on the basis of equivalent hourly pay rates
2. the distribution of men and women between pay band quartiles, calculated using the range of hourly pay rates
3. the differences in mean and median pay bonus pay between men and women
4. the proportion of men and women receiving bonus pay

Under this legislation AGS Airports Ltd is required to publish its Gender Pay Gap figures for Aberdeen Airport and Glasgow Airport. However, as an organisation that values openness and transparency we are also publishing Gender Pay Gap information for Southampton Airport as we did in 2019.

AGS Airports Ltd are confident that men and women are paid equally for doing equivalent jobs across our business.

The Gender Pay Gap is a measure of the difference between men’s and women’s average earnings across an organisation. It is expressed as a percentage of men’s earnings.
SUMMARY OF AGS AIRPORTS LTD GENDER PAY GAP

We have detailed our Gender Pay Gap* information below, further detailed breakdowns for each Airport are also provided.

*data accurate as of April 2019
A diverse and inclusive workforce which reflects the customers we serve at all our airports is one of our main priorities as a business. Monitoring and understanding our gender pay gap is a key part of this.

Over the last twelve months we have been instrumental in the launch of, and are a signatory to, the Women in Aviation and Aerospace Charter. This Charter commits us to aspire to a gender balance at all levels and to provide fair opportunities for women to succeed at the highest levels. This cross-industry initiative is hugely welcomed in our sector, which we know faces a number of challenges to attract and retain female talent.

We look forward to working with our colleagues across the industry to achieve our shared aspirations of greater gender balance at all levels of our business.
GLASGOW AIRPORT

GENDER PAY GAP REPORT 2020
AGS AIRPORTS LTD GENDER PAY GAP ACTION PLAN

Over the last twelve months we have taken time to understand our workforce better and to identify any barriers to progression experienced by any of our employees. This was one of our key actions following the publication of our gender pay gap data in 2019.

We pride ourselves on the contribution our team make every day and we will do more to support all our employees to achieve their career ambitions with us.
